Report on Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Uttarakhand Gramin Bank ("the Bank") as at March 31, 2026, which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss Account for the year then ended and notes to financial statements including a summary of significant accounting policies and other explanatory information. Incorporated in these financial statements are the returns of:

- i) The Head Office and 42 Branches audited by us;
- ii) 140 Branches (including SARB) audited by Other Auditors; and
- iii) 119 Branches not covered under audit.

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued by the National Bank for Agriculture and Rural Development (NABARD). Also incorporated in the Balance Sheet and the Profit and Loss Account are the returns from branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 24.71% of Gross Advances and 32.28% of Deposits.

In our Opinion and to the best of our information and according to the explanations given to us, except for the matters described in the basis of qualified opinion of our report, Notes to Accounts and Significant Accounting Policies, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 in the manner so required for bank and give a true and fair view in conformity with the accounting principles generally accepted in India, in the case of the

- Balance Sheet of the state of affairs of the Bank as at 31st March, 2026; and
- Statement of Profit & Loss of the profit for the year ended on that date.

Basis for Qualified Opinion

We draw attention to the matters described below, the effects of misstatements and possible effects of undetected misstatements on the financial statements due to inability to obtain sufficient and appropriate audit evidence which are material individually or in aggregate. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the financial statements section of our report. We are independent of the Bank and have fulfilled our ethical responsibilities in accordance with the applicable requirements. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for qualified opinion on the aforesaid financial statements.

The following matters, which are material individually and in aggregate, form the basis for our qualified opinion:

Deficiencies in the Core Banking System and Advance Portfolio

Core Banking System (CBS) of the Bank operates with fundamental parameter control gaps in few critical data fields that directly determine the classification of advances as Standard, Special Mention Account or Non-Performing Asset. The consequence is that the automated asset classification outputs generated by the CBS cannot be relied upon as accurate for the affected portfolios without independent account-level verification, which has not been practicable within the scope of this audit. Illustrative examples include:

- a) Our analysis of Cash Credit and Overdraft account parameters in the CBS revealed that a significant number of accounts in CC/OD portfolio are configured with renewal expiry dates that results in abnormally long durations, far exceeding any reasonable working capital assessment period.

Where an account is not renewed/reviewed within a period of 180 days from the renewal due date, it is required to be classified as a Non-Performing Asset. This renewal trigger is operationalised through the expiry date field in the CBS. Where the expiry date has been set several years or decades into the future, the CBS is rendered incapable of identifying the renewal due date and cannot automatically trigger the consequent NPA classification. This constitutes a structural failure in the automated classification mechanism for the affected accounts.

- b) As per the master directions issued by Reserve Bank of India, A bank shall classify a cash credit/overdraft account as NPA if the account remains 'out of order' due to credit in the account not being enough to cover the interest debited during the previous 90 days period. But this feature is not operational in the CBS of the Bank leading to non-recognition of Non-Performing Accounts across the overdraft/cash credit portfolio of the Bank. During test check a number of advances were identified and classified as non-performing asset which remained 'out of order' as per the above directions issued by RBI.
- c) During test check, we observed that in few cases, agriculture advances with non-recovery of interest/principal beyond 36 months are not being classified as NPA by CBS showing weaknesses of the system.
- d) Our review of Home Loan accounts identified cases where the repayment commencement date in CBS appears to exceed the Board-approved moratorium period of 18 Months. The repayment commencement date is entered manually by the branch at the time of account creation with no system-level validation. SMA and NPA classification for Home Loan accounts is triggered by the CBS from the repayment commencement date as entered in the system. Such inconsistencies increase the risk of errors in NPA identification and classification.

Credit Appraisal, Disbursement and Monitoring Controls

- e) Our analysis of term loan repayment data identified that in a number of term loan accounts, the monthly instalment or repayment amount as configured in the CBS is lower than the interest applied to these accounts leading to the accumulation of interest and indefinite repayment period in these accounts.
- f) There are few instances where the interest charged in case of loans against fixed deposits (FDs) was noticed to be lower than the interest payable on the corresponding FDs.

The above discrepancies described in paragraphs a) to e) above may have a material impact on the classification of advances and recognition of income. Further the above discrepancies may also result in material understatement of the bank's interest income and misstatement of advances portfolio.

However, the cumulative impact of foregoing qualifications on the financial statements, including their disclosures, could not be quantified due to the nature and extent of system lapses and time limitations.

Emphasis of Matter

We draw attention to the following matters in the Notes to the financial statements:

Note 12 a. to the financial statements which describes that the Bank has changed its accounting policy relating to depreciation of fixed assets during the year. Due to which, all assets having a cost of less than Rs. 5000 each are now firstly capitalised and then fully depreciated in the year of purchase. Accordingly, depreciation for the year has been increased by Rs. 0.94 Crore resulting in corresponding decrease in profit before tax by Rs. 0.94 Crore for the year.

Our opinion is not modified due to the above matter.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Bank's Board of Directors is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Bank in accordance with the applicable provisions of the Regional Rural Bank Act, 1976, Banking Regulation Act, 1949, applicable guidelines of Reserve Bank of India (RBI) and National Bank for Agriculture and Rural Development (NABARD), and accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Bank; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, including technology controls over the Core Banking System, that are effective in ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the applicable Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. However, because of the matters described in the Basis for Qualified Opinion section above, we have concluded that the financial statements do not give a true and fair view.

As part of an audit, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion;
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

We did not audit the financial statements / information of 140 branches included in the financial statements of the Bank, whose financial statements / financial information reflects total assets of Rs. 4659.06 Crore at March 31, 2026 and total revenue of Rs. 217.79 Crore for the year ended on that date. The financial statements / information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion, in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the reports of such branch auditors.

Report on Other Legal and Regulatory Requirements

The Balance Sheet and the Statement of Profit and Loss have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949.

Subject to the limitations of the audit indicated in the above paragraphs, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory unless otherwise stated in the basis of our qualified opinion.
- b) The transactions of the Bank which have come to our notice have been within the powers of the Bank unless otherwise stated in our qualified opinion; and
- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so as it appears from our examination of those books, and proper returns adequate for the purpose of audit have been received from branches not visited by us unless otherwise stated;
- b) The Balance Sheet and the Statement of Profit & Loss dealt with in this report are in agreement with the books of accounts and with the returns received from branches not visited by us;

- c) The reports on the accounts audited by branch auditors of the Bank under Section 29 of the Banking Regulation Act, 1949 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) In our opinion, the Balance Sheet and the Statement of Profit & Loss comply with applicable accounting standards to the extent they are not inconsistent with the accounting policy prescribed by RBI / NABARD unless otherwise stated in the basis of our qualified opinion.

Schedule 17: Significant Accounting Policies

A. Background

Uttarakhand Gramin Bank (UGB or the Bank) is a Scheduled Bank, sponsored by the State Bank of India, engaged in providing a wide range of products and services to individuals, commercial enterprises, corporates, public bodies and customers. The Bank is governed by the Banking Regulation Act, 1949 and the Regional Rural Bank Act, 1976.

B. Basis of Preparation

The Bank's financial statements have been prepared and presented under historical cost convention on accrual basis of accounting unless otherwise stated and comply with Generally accepted accounting principles, statutory requirements prescribed under Banking Regulation Act, 1949, RRB Act 1976 and amendments thereto and Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI), circulars and guidelines issued by Reserve Bank of India, NABARD from time to time and notified accounting standards to the extent applicable and current practices in Banking Industry in India.

C. Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. The impact of any revision in these estimates is recognised prospectively from the period of change.

D. Significant Accounting Policies

1 Revenue Recognition:

- a) Income and expenditure are accounted on accrual basis, except otherwise stated.
- b) Interest Income is recognized in the Profit and Loss Account on realization bases for following
 - (i) Income from Non-Performing Assets (NPAs), comprising of advances and investments, which is recognized upon realization, as per the prudential norms or income recognition and assets classification prescribed by RBI / NABARD
 - (ii) Commission and fee income are recognized on their realization.

2 Investments:

- a) The transactions in all securities are recorded on "Settlement Date".
- b) Investments are classified into three categories viz. Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) as per RBI Guidelines.
- c) Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)". Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)". Investments, which are not classified in above two categories, are classified as "Available for Sale (AFS)".

- d) An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- e) Investments under Held to Maturity category are carried at acquisition Cost.
- f) Investments held under AFS and HFT categories are individually revalued at market price or fair value determined as per the regulatory guidelines and only the net depreciation of each group for each category (viz. (i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored. On provision for depreciation, the book value of the individual security remains unchanged after marking to market.
- g) Profit or Loss on sale of investment is recognized in the Profit and Loss account.

3 Loans/Advances and Provisions thereon:

- a) All advances have been classified under four categories viz:
 - i. Standard Assets
 - ii. Sub-standard Assets- a loan asset that has remained non-performing for a period less than or equal to 12 months.
 - iii. Doubtful Assets- A loan asset that has remained in the sub-standard category for a period of 12 months.
 - iv. Loss Assets- A loan asset where loss has been identified but the amount has not been fully written off.
- b) Provisions are made for Standard assets and NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

i. Standard	0.25%, 0.40% or 1% of the outstanding as applicable
ii. Sub-Standard	General provision of 15 % on the total outstanding Additional provision of 10% for exposures which are unsecured ab-initio
iii. Doubtful	
Up to one year	25% of secured+ 100% of unsecured portion
Over 1 year to 3 years	40% of secured+ 100% of unsecured portion

6 Taxes on Income

The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income". Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgment as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future profits.

7 Provisions, Contingent Liabilities and Contingent Assets:

- In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a result of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.
- No provision is recognised for Contingent Liabilities.
- Contingent Assets are not recognised in the financial statements.

8 Earnings per Share:

The Bank reports basic and diluted earnings per share in accordance with AS 20 –“Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.

9 Cash and cash equivalent:

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.
